INVITATION TO THE DIGITAL QUERIES COLLOQUIUM

Dear participants,

We are very pleased that you are interested in the international ideas competition "Rethinking Bismarck" and would like to invite you to the queries colloquium on Thursday, February 16th, 2023 at 12:00 p.m. (Central European Winter Time) to a max of 2:00 p.m.

Each participant creates the technical requirements, if necessary, by downloading as well as installing a possibly required auxiliary program (e.g. Zoom) and familiarises himself/herself with the functionality in good time before the event. Furthermore, we ask for your understanding that we cannot offer individual technical support.

Only the most necessary information required for the conference will be transmitted visually or via audio by all participants. Please remove all objects from the background that you do not want the other communication to see. By participating in the selection session, you accept the above requirements and conditions.

You can participate in the colloquium under the following Zoom link:
